

FORD WOULD HAVE ANOTHER BIG WAR IF LEAGUE FAILS

Many Frank Admissions Made on Witness Stand by Motor Car Genius.

PLACES SOLDIERS AMONG MURDERERS

Wants Universal Peace if Another War is Necessary to Obtain Such Condition.

By Associated Press.
Mt. Clemens, Mich., July 15.—Henry Ford made many frank admissions in the course of his testimony today in his \$1,000,000 libel suit against the Chicago Daily Tribune.

Mr. Ford admitted ignorance of history and said more than ever he considered it "bunk" growing out of tradition; nor had he any personal use for music or other forms of art.

He reaffirmed his belief that professional soldiers are murderers and would be exempt General Pershing or General Grant from this category.

He said that his present view is for the fullest preparedness unless there is a League of Nations and that if the war just concluded in Europe does not result in such a league, he favors another great war without delay in order to clean up the situation so thoroughly that universal peace will result.

HOLDS SPEECH OF GALLIVAN WAS IN ORDER

Dry Members Refused Permission to Take Issue with Accuser.

Rep. Blanton Takes Dig at Gallivan Before Ruling.

(By Associated Press.)

Washington, July 15.—Before the prohibition enforcement bill was taken up today Speaker Gillette ruled that Representative Gallivan, democrat of Massachusetts, in declaring in an address yesterday that he had heard members of Congress had stored away enough whiskey to last them twenty years, had not transgressed the rules of the House.

Representative Blanton, democrat of Texas, attacked the speech of the Massachusetts member and on a question of personal privilege was proceeding with the defense of prohibition members against the charge of liquor hoarding when the speaker cut him short by announcing that Mr. Gallivan's speech was in order.

LIMA—The safe in the When store was broken open and \$496 in cash taken at an early hour Monday.

TEN KILLED 30 WOUNDED IN STRIKES

Grave Disorders Occur in Many Italian Towns and Cities During Monday.

Dealers in Foods Forced to Reduce Prices Fifty Per Cent in Sicily.

(By Associated Press.)

Rome, Monday, July 14.—Strike disorders occurred in various places in Italy today. At Lucera, eight persons were killed and thirty wounded. Near Genoa, two anarchists were killed in a fight with carabinieri.

The engagement with anarchists, which occurred four miles west of Genoa, also resulted in the arrest of four anarchists.

A general strike began at Caltanissetta, Sicily. The people there marched through the streets crying "vive soviet" and forced dealers in foodstuffs and other necessities to reduce their prices 50 per cent.

AUTO TIRES \$250 EACH.
Vienna, July 15.—Automobiles which have been without tires for weeks in Hungary, according to reports from Budapest, have been equipped with new tires, said to have been obtained by smuggling two car loads of French and Italian make into the country. The tires were sold for \$250 each.

87 ARE KILLED PROPERTY LOSS \$200,000,000

Great Hurricane in Chile Takes Enormous Toll.

One Hundred Vessels Lost in Two-Day Storm.

(By Associated Press.)

Valparaiso, Chile, July 15.—Eighty-seven persons are known to have been drowned and the loss of life may have been much greater in a hurricane which swept this port Saturday and Sunday.

Fourteen vessels of various sizes were damaged, and about a hundred lighters and other smaller craft destroyed. The property loss is estimated at \$200,000,000.

LAST HUN DRIVE WAS YEAR AGO

"Gigantic German Drive Is On—Americans in Fury of Battle."

These heavy headlines one year ago today told the story of the opening phase of the last great German effort to shatter the allied armies and reach Paris.

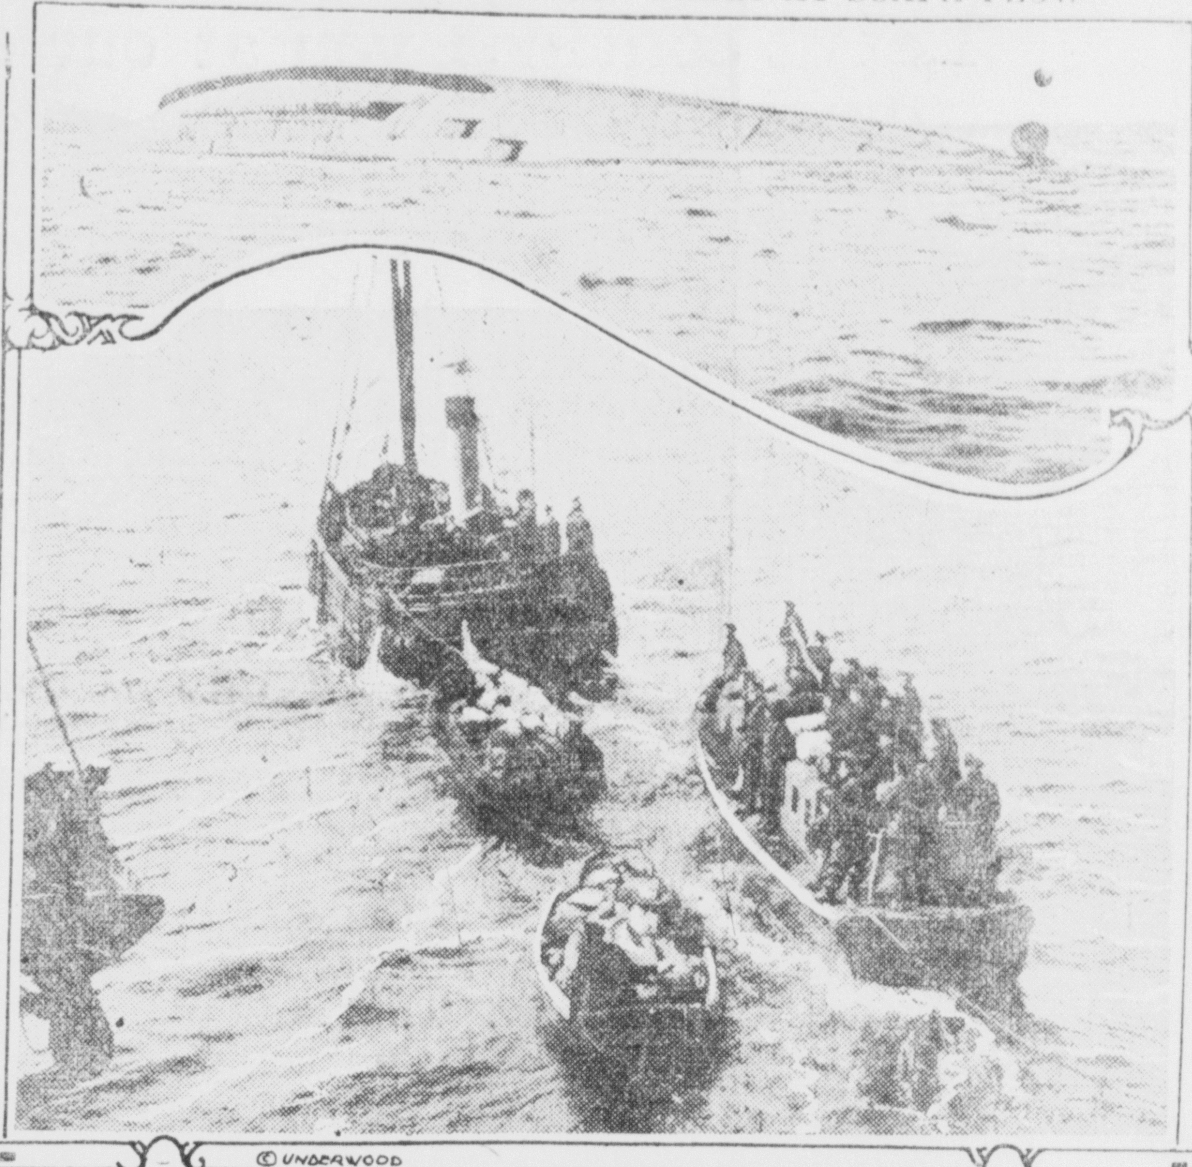

The opening paragraph of the news story announcing the beginning of the terrific struggle said:

"The Germans at daylight today launched a violent attack against the American positions west of Chateau Thierry and especially near Vaux. The struggle is proceeding over a 50 mile front. The Germans have crossed the Marne River."

Progress for the Germans was recounted in the next few telegrams from the scene of mighty conflict, then came the glorious story of how the German hordes had been shattered by the stone wall of American and allied forces, which included many brave Fayette county boys, many of whom gave their life's blood.

All will recall how, with the German drive still endeavoring to continue, Poch, a short time later, struck the Hun flank northwest of Chateau Thierry and the definite turning point of the war had been passed.

THE END OF THE GERMAN FLEET AT SCAPA FLOW

Upturned hull of German battle cruiser "Seydlitz" and German officers and men being taken alongside H. M. S. Ramillies, after scuttling their own craft.

These pictures were taken immediately after the last treacherous act of the Germans—the sinking of their own surrendered navy at Scapa Flow. Between seventy and eighty German warships of all descriptions were scuttled at almost the same instant by their crews, which put off in small boats and were picked up and taken into custody by the British. Under the terms of the armistice, skeleton crews of German sailors were placed aboard the boats when they were surrendered to the allies.

EXTRA SESSION IS TALKED TO MEET SALARY DEMAND

State Employees to Strike Unless New Increases Are Made in Salaries.

Legislature May Be Recalled Before December First

(By Associated Press.)

Columbus, O., July 15.—Demands of state employees for salary increases and the possibility of serious labor troubles in the various state departments unless such demands are granted may necessitate the convening of the legislature in extra session before December 1st, state officials intimated today. Governor Cox was in conference with department heads on the subject today.

It became known today that 200 employees of the Industrial Commission employed in the workmen's compensation department have perfected an organization and intend to make immediate demands for salary increases.

WASHINGTON C. H. MAN IS KILLED IN EXPLOSION OF MINE IN NORTH SEA

FREE TRADE UP

(By Associated Press.)
London, June 15.—(By Mail).—A big free trade campaign is being waged in England by liberal party leader. Among the speakers are H. H. Asquith, former Prime Minister, Lord Crowe, Lord Beauchamp and Sir Donald MacLellan.

Homer Perdue, Son of Mrs. T. K. Perdue, and Six Others Lose Lives in Explosion.

MINE SWEEPER WAS SENT TO THE BOTTOM

Deadly Bomb Becomes Entangled and Lets Go Under Stern of Mine Sweeper.

(By Associated Press.)

Washington, July 15.—One officer and six enlisted men were killed in the destruction of the American mine sweeper Richard H. Buckley, by the explosion of a mine in the North Sea on July 12. Two other officers were injured.

Among the dead is Homer Perdue, seaman, of Washington C. H., Ohio.

The Buckley was engaged with another mine sweeper in removing the North Sea mine barrage, when a mine became entangled in the sweeping cable.

Before the cable could be payed out again, the mine exploded directly under the ship's stern. The trawler was shattered by the terrific impact and sank in six minutes, before the other vessels of the fleet could reach her.

Commander King remained on the bridge directing efforts to save the crew and went down with his ship.

The remainder of the dead either were killed by the explosion or trapped below deck when the vessel sank.

The above dispatch was the first intimation received in this city of the sad fate of a man who had a large number of friends in this and adjoining counties, and news of whose death comes as a great shock to his relatives and friends generally.

Mr. Perdue, who was a son of Mrs. T. K. Perdue, of Leesburg avenue, was 39 years of age, and had been in the U. S. Naval service for nearly one year, having enlisted in August, 1918, after having been very desirous of entering the service but being prevented by his age. However as soon as men of his age were taken into the naval service, he enlisted immediately.

After training at Great Lakes naval training station he sailed on Nov. 11, last, and since that time has seen a wide variety of service.

Those who know him best rest assured that if he had been choosing death, his choice would have been death in the service.

In addition to his mother in this city, the deceased leaves one brother Mr. Whittier Perdue, of Chicago, and six sisters: Mrs. Otis Conor, Chicago; Mrs. Will J. Wilson, this city, and Misses Miriam Alice and Helen, of this city, and Gladys, of Columbus.

For several years Mr. Perdue was associated with the Central Union Telephone Company, as foreman of a construction crew.

EUROPE MUST GET HELP FROM U. S., SAYS FINANCIER

Eugene Meyer, Jr.

Recovery of the European countries from the ruin of war will be impossible without the financial help of the U. S. This is the opinion of Eugene Meyer, Jr., managing director of the war finance corporation of America. He has been studying conditions abroad.

PRESIDENT CONSIDERS EARLY TRIP

Failure of Committee to Ask Him for Conference May Hurry Speaking Tour.

Foreign Relations Committee Begins Reading Official Text of Treaty.

(By Associated Press.)

Washington, July 15.—Intimations that the Senate Resolutions Committee might not arrange for early conferences with President Wilson for discussion of the peace treaty and the League of Nations covenant led to the suggestion today that Mr. Wilson might begin his tour of the country sooner than he had planned.

Fixing of the itinerary for the swing around the circle was understood to have been delayed to await completion of the committee program in order that there might be no conflict.

The committee met again today and laying aside temporarily the question of asking for more information, began a reading of the official text of the treaty submitted by the President.

ASK DOCUMENTS

The Foreign Relations Committee later adopted a resolution requesting the President to furnish the committee virtually all documents considered by the American peace commission in their work on the treaty.

It was said that the resolution of which Senator Johnson was author, was adopted by virtually unanimous vote and that action by the Senate was not considered.

In beginning the reading of the treaty text today the committee, by mutual consent between republicans and democratic members, deferred consideration of the League of Nations covenant. Chairman Lodge read the text and frequently was interrupted by questions and discussions by various sections. Members expected the reading would require several days.

SLAPPED BOY; FINED.

Lorain, July 15.—Judge Duffy fined Annie Tracer \$5 and costs for slapping Francis Cobb, aged 10. The young Cobb boy had stuck his tongue out at Miss Tracer.

LIGHTNING HITS CROWDED CAR IN HEART OF CITY

Twenty-Five Persons Seriously Injured in Pittsburgh.

Many Women and Children are Trampled.

(By Associated Press.)

Pittsburgh, July 15.—Twenty-five persons were injured, several probably fatally, when lightning struck a crowded Hamilton Avenue street car in the center of the downtown district during a severe electrical storm this afternoon.

J. T. Hossman, 50, motorman, was severely burned when the lightning which struck the trolley wire came into the car. A number of women and children were trampled in the panic which followed.

WETS LOSE OUT IN FIRST STEP ON DRY BEER

(By Associated Press.)

Pittsburgh, July 15.—The government won its first point today in its fight against the sale of beer containing 2.75 per cent alcohol, when Judge Thompson in United States District Court overruled demurrers of officers and directors of the Pittsburgh and independent brewing companies, to charges of violation of the war-time prohibition law. Each of the defendants, 19 in all, was held in \$1,000 bond for the November term of court.

Wednesday, Aug. 6th

Everyone is invited. High-Class Amusements of all kinds, Music, Lunch and Refreshments, Games and Contests—an all-around good time is assured. This annual picnic is one of the big out-door events of the summer season made more attractive this year by the enlarged capacity and vastly increased attractions at Rogers Park.

DON'T MISS THE K. OF P. PICNIC

HEALTH OFFICER FOR THE COUNTY IN NEAR FUTURE

Entire Health Machinery of City and County to be Revamped in August.

County Board of Health Must be Organized Under Hughes Law.

Within the next few weeks the work of reorganizing health machinery of Washington C. H., and Fayette county will be taken up to meet the radical changes imposed by the new Hughes public Health Bill, which goes in to effect August 10th, and which provides that the health machinery of the city and county be united into one organization with one regular health officer, a doctor, who must devote his entire time to the work.

Mayor V. J. Dahl is in receipt of a communication from the State Health commissioner which outlines the method of procedure and explains, to some extent, the workings of the new law.

As soon as possible after the law becomes effective August 19 the following steps must be taken:

Mayor and township trustees' chairmen must meet and organize the district (county) advisory council and choose the district board of health.

The district board of health, to be composed of five members, one of whom must be a lawyer, two must be doctors and one a farmer, must meet and effect its organization and make its appointments.

The district board of health must formulate its budget for the year 1920 and file these estimates with the county auditor.

The district advisory council must meet at the call of the county auditor to pass this budget.

The county auditor must apportion the total estimated expenditure for the year among the various municipalities and townships in the district on the basis of population and must with hold the amount due from each municipality or township in paying to such sub-divisions their respective shares of the county's revenues.

All present health machinery of the county will be discarded and the reorganization will be complete.

The Advisory Council to be organized, and which meets annually, the first Monday in February to receive the annual report of the Board of Health, is to be composed of all mayors of municipalities in the county, and the chairman of the respective boards of township trustees. This council will elect the board of health. This city will be entitled to one member on the board.

The state pays not to exceed \$2,000 per year toward the expenses incurred under the new law, it is announced.

SCHOOL DISTRICTS OF COUNTY NOT TO VOTE ON INCREASE

Announcement is made by County Superintendent of Schools, G. S. Nelson, that there is little or no likelihood of any school district in the rural or village districts of the county voting for an increase in the school funds, as permitted under one of the new laws.

In Green township, which was said to be one of the townships that might vote for an increase, Supt. Nelson announces that the sum of \$5,000 for that district is now in the bank, and that the August apportionment is still to come, so that there will be ample funds.

In Marion township ample funds are provided for meeting expenses and paying a snug amount on the indebtedness due to new school building.

All other townships are in equally good condition or even better, he announces, so that no two mill levy will be asked for school purposes.

NEW ADDITIONS TO HERALD PLANT

Two new additions to The Herald plant on South Fayette street are now nearing completion, and when finished and ready for use will add still more to the home of the Evening and Morning Herald.

For greater convenience and to render better service, and because the space was required for other equipment, it was found necessary to move the stereotyping outfit from the basement. And to properly house it, a new addition was constructed in the rear of the main building, where the big melting pots and casting outfit will soon be installed.

Virtually all pictures and a large number of advertisements carried in The Herald are produced by the

stereotyping outfit, which casts the cuts from "mats," molten metal being used for this purpose. One of the pots holds 1,000 pounds of the metal. Another is used for melting the linotype metal and preparing it for use once more.

In addition to this new building it was found necessary to double the size of the large paper warehouse back of the main building, so that it will hold upward of 150,000 pounds of paper.

A large skylight recently has been built on the main composing room, adding to the convenience of the plant and comfort of the employees.

SGT. CLUTTER MAKES PROGRESS

Sergeant Paul Clutter, a former member of M. Company, who was severely wounded while fighting in France, and who received his appointment for Vocational training through the local Red Cross Home Service Department, is home on a ten days vacation from the School at Lawrenceville, N. J., where he has been taking an agricultural course.

At the end of his vacation Sergeant Clutter will go to Cleveland where he will enter a preparatory school at the Y. M. C. A. to take up a course that will fit him for his winter course which he will receive at the Ohio State University.

The young soldier is making rapid progress in his work and is greatly enthused over the training he has received thus far.

You Buy Tires on Adjustment Plan, Have Your Battery Repaired the Same

Conforming to the standard set by the makers of the U. S. L. Battery, of selling the battery on a 15-month guarantee adjustment plan, we repair all batteries on a similar plan. When you bring a battery here for any kind of repair work you are assured of getting your money's worth.

After we have repaired your battery and it, for some reason or other, does not give a definite period of satisfactory service, you get a refund, or a credit, same as the tire dealers give you.

Seems to us that this method is about as fair and square a proposition as anyone could wish. If it appeals to you, bring your battery here next time. You simply can't lose.

"The longer we make your present battery last the surer we are of eventually selling you a new one."

Ouch!

Mr. Burleson's increased postage rates concerning publishers and publications are taking effect and they are taking effect hard. They bite deep into the exchequer.

As a consequence we may expect the complaints against Postmaster General Burleson to be renewed with redoubled strength.

Mr. Burleson, like all of us, doubtless, has his faults as an individual and as an official. He has beyond question made mistakes in the discharge of his official duties but we must be careful, in "sizing up" Mr. Burleson's official career and offering criticism that we do not allow our personal feelings to exert too strong an influence on our judgment.

The publishers have been faring pretty well at the hands of the post office department for a great many years. A by no means inconsiderable percentage of printed matter is carried free for the publishers and the balance is carried at a very low rate, compared with rates on private postal matter.

The theory underlying this apparent favoritism which the publishers have enjoyed is that the publications are quasi public and their circulation is for the public benefit. That rule was all right when originally promulgated in the early days of the republic, when newspapers and magazines carried very little advertising matter.

Those conditions have long since changed. Publications have become more private businesses and have lost, to a great extent, their former character of exclusive disseminators of knowledge. They are full of advertising matter for which the private individual pays large sums of money. To that extent therefore, as the publications serve private enterprises they should pay a ratio of increase to the government for distribution.

It's hard to surrender these privileges uncomplainingly, but we must endeavor to be fair about the matter.

There may be many acts for which Mr. Burleson deserves censure, but we can't see yet that we, the publishers, have any just cause to complain about the increased postage rates.

It may be noted in passing that, whatever else Mr. Burleson may be or may not be, he certainly has some real courage to advocate changes which dip deeply into the receipts of every publisher.

When we read complaints against Mr. Burleson let's remember that the publication, in which the criticism appears, has a personal grievance.

The reduction in the first class postage rates must be made up somewhere and why not by a just increase rather than by another appropriation to cover deficits.

Now if Mr. Burleson will please "go after" the officials who are turned loose with franking privileges and make them come across with more postage and less matter we believe that even the publishers will feel more kindly toward him.

Our Turn

As the gaunt specters of suffering and woe, brought into the range of our vision by war, recede behind the horizon, the great problems of reconstruction in the nations of the world force themselves forward for our consideration.

Industrial and commercial conditions throughout the world are such as to warrant the most earnest, the most sincere and most patriotic effort to understand—to comprehend fully—the vastness of the world's peace problems. They hold, in their proper solution, much for the happiness and well being of the human race. But statesmen and private citizens, in every land, must go forward, courageously to meet these problems and solve them. Selfishness and greed, the desire for political preferment must be left behind.

The world is entering the arena of new and tremendous works of peace. The work will be no less difficult than that of war, but upon its proper discharge depends the future of humanity.

We must not shrink from any duty imposed if the work is to be done well and it must be done well if the world is to be "rearranged" satisfactorily.

Men have died, in battle, by the millions to make the world a fit place to live in. We must make good in preserving the legacy of our soldiers by meeting and solving patriotically the problems of reconstruction. We must finish the work.

POETRY FOR TODAY

THE BOY HAS COME HOME

The Boy has come home! And the door stands wide,
And the old house shakes to his hob-nailed stride.
And the old farm smiles from side to side,
For the Boy, back home at last—
Home from the broken homes of France,
From the ravaged fields of the Hun's advance.
The shattered wood's o'er whose dear expanse
The short stumps stand agast!

The Boy has come home—and he's "home to stay!"
And he'll "never want to go away"—
Not in "forever and a day"—
From the peace of the old home soil.
And the mother smiles, with a heart at rest,
Her cheeks to his khaki shoulder pressed,
And a glad heart beats in "Dad's worn breast,
As he turns to his lightened toil!

The Boy has come home, and his heart is here,
And he's keen for the tasks of the full farm year.
To sow, and mow, with a soil of cheer,
And bear the hard work's brunt;
But into his eyes a look will come,
Swift 'mid the workday's cheerful hum,
And his mother sees, and watches dumb—
She knows he's back at the Front!

The Boy has come home, and his heart's true blue,
But it holds, with the old, the marvelous new,
And his clear eyes sweep o'er a wider view
Than once was their utmost span;
And he thinks world-thoughts that afar he found—
He knows that the still old farm is bound
With every farm in the world's wide round—
Since the Boy came home—a Man!

QUICK RELIEF FOR ECZEMA

San Cura Ointment is a Marvelous Ointment for Many other Distressing Ailments.

San Cura Ointment has relieved many cases of itching, bleeding and protruding piles. It has drawn the poison from and completely healed running sores and fever sores which were so old and chronic that everyone who saw them considered them helpless.

San Cura Ointment is guaranteed by Blackmer & Tanquary to do as stated above and also to banish tetters, boils, carbuncles, to heal ulcers, cuts, burns, scalds and bruises, or money back.

The same guarantee holds good for

chilblains, chapped hands and face, so you risk not a penny when you buy a jar for 30c, 60c, \$1.20 and \$2.40.

For tender skin and to secure a perfect complexion use San Cura Soap. It prevents contagion—25 cents. Thompson Medical Co., Titusville, Pa.

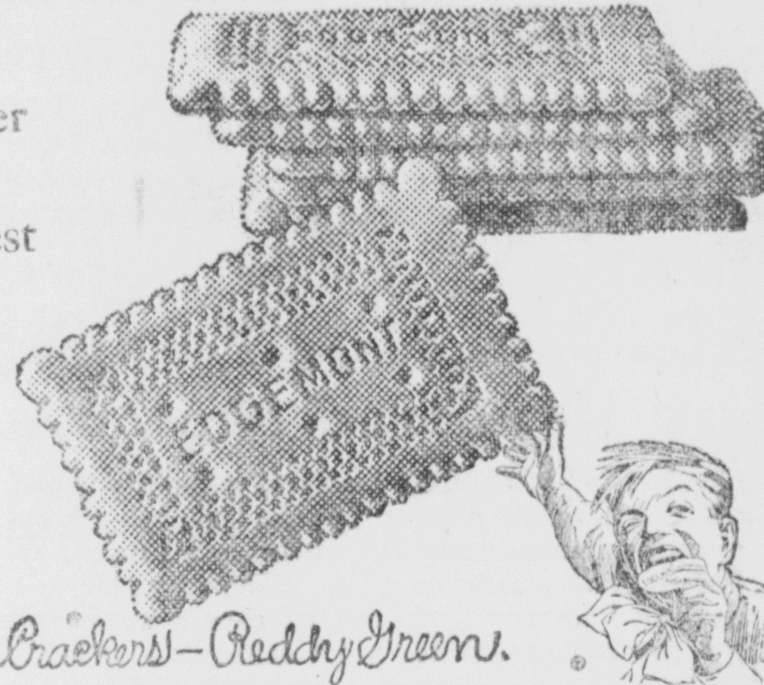

When you see anything green, think of—

This is the Ginger Ale,
When cooled with ice
It's mighty nice,
This sparkling Ginger Ale.

This is a sprig of mint,
You bruise it nice,
And Squeeze it twice in with the ice
You put in your Ginger Ale.

This is a Ginger Wafer
The tasty ginger wafer
In thirst quench quest
It brings with zest
The delicious ginger-flavor.

Don't forget Edgemont Crackers—Reddy Greens.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

The quarterly supper and business meeting of the Teacher's Council of the First Presbyterian Sunday School on Monday night, was out of the ordinary in its out door features and one of the most enjoyed of the many delightful sessions in which the Sunday School management and teachers have participated.

The supper, a most appetizing summer picnic supper, was served on the lawn between church and parsonage, where a table was set and prettily decked with marigolds. The beautiful summer evening with the sun setting gloriously in a bank of clouds and the moon coming up later, added immeasurably to the attraction of the affair.

The committee, which managed everything with the utmost capability, was composed of Mrs. J. T. Tuttle, chairman, Mrs. Mary J. Rodgers, Misses Edith and Helen Hamm, Marjorie Klever, Emily Palmer and Joe Wilson.

There was a good attendance and after the visiting over the supper the usual business was conducted.

Mr. and Mrs. Sherman Hooks delightfully entertained Sunday with a dinner in honor of their two sons.

HOT

but home users of electricity are always cooler than gas users. Wiring homes is our business—specialize and give intelligent service. Electricity in any house adds to its value—makes it more attractive—pump water, cook, wash, iron, sweep. Ask

The Electric Shop.

Other Peoples' Opinions

When we contemplate purchasing something, the quality of which cannot be determined in advance, it is sometimes wise to get the opinions of others. Ask your friends what they think of DeWees photos. See if they don't bear out our claim of superiority.

The DeWees Studio

A. S. B.

George recently returned from France and Jasper from Camp Sherman.

Mrs. Harry Lemons, Mrs. Pearl Lemmons, Mrs. George Hooks and Mrs. Elmer McCune brought wellfilled baskets and assisted with the delicious dinner that was served.

Those present were Gilbert, Mabel and Charles Hooks, Mr. and Mrs. Harry Lemons and son Harry Edwards, Mr. and Mrs. Bob Masters and family, Mr. and Mrs. Al Lansing and daughter Margaret, Mr. and Mrs. Peter Seyfang and son Harley, Mr. and Mrs. Elmer McCune and daughter, Mr. and Mrs. George Hooks, Florence Melbern, Edith Lemons and Valley Irvin; Mr. and Mrs. Peal Lemons and children.

Ice cream and cake was served late in the evening.

In honor of the fifth birthday of their pretty little daughter, Katharine, Mr. and Mrs. Thomas L. Collopy delightfully entertained eighteen little girls and boys Monday afternoon.

Most unfortunately the tiny hostess was taken suddenly ill at noon and unable to join in the play—a great disappointment to both her and her guests. But this cloud had its silver lining as Mrs. Collopy promised to take the entire crowd for a picnic as soon as Katherine recovers.

The children enjoyed outdoor games until they were invited inside for a dainty summer luncheon. Pink and white were prettily used in decoration. Miss Moffmer assisted Mrs. Collopy in caring for the children.

The girls of the Bell Telephone Office spent Monday morning most pleasantly in a lawn party at the home of Miss Edith Blackburn, on South Hinde street.

It was an affair of exceptional interest with two honor guests Miss Mae Barnes, who leaves the first of the week to make her home in Lima, and Mrs. Carl Mitchem (nee Bossie West) a recent bride.

For Mrs. Mitchem the girls gave a miscellaneous shower, presenting her with a number of gifts, both useful and ornamental, and also bestowed

ing a "gift of remembrance" to Miss Barnes.

The lawn was gayly decked with Japanese lanterns and bright moonlight enveloped the scene.

A tempting collation was served and the evening passed off merrily.

Those enjoying the affair with Miss Blackburn and the honor guests were Misses Beulah Bonecutter, Leona Cheek, Ruth Melson, Catherine Long, Mary Sherritt, Blanch Hooks, Helen Orr, Leola Mallow, Helen and Ruth Richardson and Pansy Harvey.

Mrs. Albert Barney freely extended the hospitality of her home to the Tuesday Kensington Club.

Summer flowers and a dainty refreshment added to the pleasure of the afternoon.

Mrs. Fred Sprenger, of Marion, Ill., was a welcome out of town guest.

A charming departure from the usual in the line of summer entertaining was a breakfast at which Miss Dorothy Fullerton proved a most delightful hostess Tuesday morning. The affair was in compliment to Mrs. Henry Groseclose (nee Dorothy Saxton), of Farmville, Va., who is leaving Wednesday evening for Blacksburg, Va., to meet her husband in attendance at the summer school of the Virginia Polytechnic Institute, after an extended visit in this city.

An exceptionally popular girl in Washington's younger society, and if possible even more of a favorite now that she returns with all the promise of her girlhood developed in the charm of the young matron, the privileged guests confined to her closest friends, welcomed the opportunity of a farewell visit over the delicacies of the breakfast. Mrs. Groseclose was lovely in a simple gown of white wash satin and Miss Fullerton very attractive in a dainty summer gown of white organdie.

The breakfast was characterized by beauty and perfect appointments. Covers were laid for ten and a pink and white color scheme used. A luncheon set of hand Irish crochet over, pink was most effective in combination with an artistic center basket of pink hollyhocks, the handle tied with pink maline bow. The place cards were small pink hollyhocks concealing the names.

Mrs. Frank M. Fullerton assisted her daughter in the hospitalities.

The Dahl-Campbell Club rooms presented an attractive scene of festivity Monday night, when Miss Virginia Campbell entertained with a dance in honor of her guest, Miss Sarah Stewart, of Baltimore, Md., a classmate of Miss Campbell's at "The Castle" on the Hudson and Miss Sue Gore, of Hillsboro, the guest of Miss Mary Dahl.

It was a decidedly informal, but altogether delightful, affair enjoyed by twenty-five couples of the younger society set.

Miss Campbell, looking extremely pretty in white net, gave cordial welcome and introduced her guests.

Miss Stewart was wearing a gown of pale blue organdie, very becoming to her blonde type. Miss Gore, a striking brunette, wore a pretty gown of pale blue crepe de chine, trimmed in black ostrich feathers.

The music was splendid, furnished by Miss Mary Ellen Briggs and Floyd Miller, and the introduction of the "Lucky Number Dance" added immensely to the merriment. Miss Gore won the favor, a Kewpie doll, dressed in blue.

An elaborate two course luncheon was served.

Mr. William M. Campbell assisted his daughter in entertaining and Mrs. Weidman chaperoned.

The out of town guests were: Messrs. David Graham and W. Neade of South Charleston, Miss Moore and Miss Beatrice Van Hanten, Messrs. Kenneth Yaple, William Morrison, A. F. Kite and Walter Ireland of Chillicothe; Miss De Long and Miss Ella Head, Messrs. Colin Campbell and Paul McCoppin of Bainbridge.

Mrs. Claude Post was down from Columbus the first of the week, visiting her mother, Mrs. Ada Jones, and took back her little daughter, Marjorie from a visit at the Jones home and also with her grand parents, Hon. and Mrs. J. D. Post.

Mrs. Josephine Kerr spent a couple of days the past week with her son Dr. George Kerr and family at West Jefferson.

Charles, Brooks and Richard Larbins, of Hillsboro are visiting Daniel Wilkin son of Mr. and Mrs. H. T. Wilkin for the week.

Mrs. John A. Parrett, Mr. and Mrs. A. W. Duff had as their guests, Monday Mr. and Mrs. A. J. Moon, Miss Irene Will of Bloomington, Ill., Mrs. Irene Mueller and Mr. Irvin Telling of Decatur, Ill., and Mrs. John A. Patton of Jeffersonville.

Mr. and Mrs. Ira O'Brian have returned from a two week's vacation, most of it spent in Columbus at the Centenary and visiting at their old home in Clarksburg.

Mr. Erk Edwards was a business visitor in Columbus, Tuesday.

Mrs. Morris Langdon, of Sabina, spent Tuesday the guest of Mrs. Elmer Horney.

Mr. and Mrs. W. B. Hershey accompanied Mr. Frank M. Fullerton on a motoring trip to Columbus Monday.

Mrs. Roy Reeves and little son, Bobbie, of Columbus, visited Tuesday with Mrs. Joseph H. Donnell and little son at the home of Mrs. Donnell's mother, Mrs. Frank L. Stutsen.

Miss Bessie West visited in Columbus the first of the week.

Mr. and Mrs. Clarence Craig have returned from an outing at Cedar Point.

Wayne Galvin, who has been visiting at the home of Mrs. Josephine Kerr, for several days, is spending a few days in Wilmington, but returns here Wednesday for a longer visit, before going on to his home in Lima.

Miss Ethel Mace went to Cincinnati Tuesday morning to accompany her sister, Miss Grace Mace, home from the Good Samaritan Hospital on the evening train.

Messrs. Andrew Reichert and Robert Shoop were visitors in Columbus Sunday.

Mr. and Mrs. Curtis Kniesley are receiving congratulations upon the birth of a daughter at their home on Oakland Avenue, Monday morning.

Mr. and Mrs. Fred Sprenger, and children, of Marion, Ill., arrived from Washington, D. C., where they have been visiting Mrs. Sprenger's sister, Mrs. Richard Vincent, to be the guests of Mr. and Mrs. Frank S. Jackson for an indefinite stay before going on to their home.

Mr. H. Baker was a business visitor in Columbus Tuesday.

Miss Jessie Sunkle is the guest of friends in Zanesville.

Mrs. James H. Hubbard (Chloe Bonecutter) arrived Saturday from Youngstown to spend a couple of weeks with her father, Mr. Albert Bonecutter. Mrs. Hubbard was met in Columbus by her brother Mr. Otis Bonecutter.

Mrs. Bertha Smith received a telegram, Tuesday morning announcing the arrival of her son Loral N. Allen in New York. He is now at Camp Merritt, N. J., awaiting orders to be sent to a Camp for demobilization.

Mr. and Mrs. E. N. Holloway have as their guests for ten days Mrs. J. E. Sands and Mr. Jess Albrecht, of Louisville, Ky.

HAVE YOU READ?

Advertising the selling: Principles of appeal and response by H. L. Holingworth, Associated Professor of psychology in Columbia University.

The purpose of this book is to show how the successive steps of advertising and selling, viz, securing the attention, holding the interest and provoking the response, may be brought to the highest point of efficiency.

"The work is intensely practical. No phase of the subject, no matter how remote or subtle seems to have been overlooked."—Scientific American.

This book is one of many such books, offering valuable information, at our Public Library awaiting the demand of readers who may find it both beneficial and interesting.

PRICE PAID FOR JAPAN'S SIGNATURE

Such is Shantung Agreement Charges Senator Lodge

China Was Robbed Insists Lodge

(By Associated Press)
Washington, July 15.—Senator Lodge, the republican leader, charged in the Senate today during debate on the peace treaty, that the Shan Tung settlement was a "price paid" for Japan's signature to the League of Nations with the robbing of China as the consideration.

During the day debate on the peace treaty continued with Senator Norris, republican, Nebraska, attacking the Shan Tung settlement, and Senator Underwood, democrat, Alabama, urging unqualified ratification.

Senator Norris said he believed the treaty should be sent back to the peace conference for the rectifying of the wrong which he said was done to China by giving Japan the material right in Shan Tung formerly held by the Germans.

He also declared the League of Nations contained many objectionable features.

BAND CONCERT

At 8:30 Tuesday evening the Washington Band will give the third of the series of weekly concerts. The band stand will be erected on the Court and Main street square. A large crowd is expected to attend.

CAR HITS TREE OCCUPANTS HURT

When a party of young people in a large machine who were reported to have been from Wilmington, crashed into a fallen tree across the road about three miles west of this city on the Sabina pike Sunday evening, one girl was injured so seriously that medical attention was necessary while the others were more or less bruised and cut up.

The car in which they were riding was torn to pieces. It is said that the machine was traveling at an excessive rate of speed when the accident occurred. The identity of the parties was not learned.

SELLS FARM

Waldo Binegar has sold his farm on the Beuna Vista pike to Joe Geesling.

The farm contains 111 acres and includes some of the best land in the county.

The transaction was made through the agency of D. B. Wilhite.

Keep cool and comfortable. Just received a new line of desk fans, several sizes. Call or phone. The Washington Gas & Electric Company.

FORMER RESIDENT IS LAID TO REST

Former friends and acquaintances of Mrs. Henrietta Wiley, will regret to learn of her death at the city hospital in Lancaster on last Wednesday, July ninth.

Mrs. Wiley's only daughter, Mrs. A. F. Kellhofer, of Mt. Clemens, Mich. was in Lancaster for the funeral services which were held Saturday afternoon at the home of Mrs. E. D. Raybourne, conducted by Rev. H. Blake Masters, pastor of the Maple Street Evangelical church, of which Mrs. Wiley was a faithful member.

For many years Mrs. Wiley made her home in this city.

MASSILON HIT BY BIG STORM MONDAY NIGHT

Church is Destroyed and Wire Systems Disorganized

Fireman Killed in Fighting Blaze.

(By Associated Press)
Massillon, Ohio, July 15.—A fierce electrical storm which swept this section early last night cost one life, injured four persons, destroyed the Presbyterian church, blew down trees and wires and did much damage to crops.

Lightning struck the church, a brick structure, and a fireman was killed and two were injured while fighting the blaze which destroyed the \$50,000 edifice. The men were buried when the tower collapsed.

NO QUARANTINE AGAINST WHEAT IN FOUR STATES

Talk of Restrictions At An End For The Present

(By Associated Press)
Washington, July 15.—No quarantine against wheat shipments from Illinois, Indiana, West Virginia and Virginia because of grain diseases in those states will be declared at this time by the Federal Horticultural Board.

This decision was reached today. The quarantine was expected because of flag smut and the "take all" disease which has prevailed in these states.

GIRL SCREAMS ROBBERS FLEE LEAVE \$15,000

Daring Attempt to Rob Cleveland Bank Frustrated.

Girl Pays No Attention to Revolvers Thrust in Face

Cleveland, O., July 15.—An attempt by five bandits to hold up the American Commercial Exchange Bank, a private institution, at noon today, was frustrated by the screams of Rose Yafanaro, a 17-year-old clerk, who, commanded at the point of three revolvers to open the safe, screamed and ran from the bank to summon aid.

The bandits fled to their auto and escaped. They got nothing, although there was \$15,000 in cash in the safe.

THREE DIE WHEN PLANE PLUNGES

Philadelphia, July 14.—Three men were killed when a seaplane plunged into the back channel of the Philadelphia Navy Yard late this afternoon. The dead are: Ensign Roerick, Chief Machinist's Mate Erkle and Coxswain H. G. Sonder. Their bodies have not yet been recovered. Two other men were injured.

The plane, which was of the Canadian F-5-L type, was up in a practice flight, testing out radio telephones. It was descending from a considerable height when, about 200 feet above the channel, it suddenly plunged down into the water. The cause of the accident is not yet determined.

IMPERIAL REBEKAH LODGE 717.
Regular meeting of Imperial Rebekah Lodge No. 717 at I. O. O. F. Hall, Wednesday evening, July 16th at 7:30. Installation of officers, refreshments. SECRETARY.

WILL PLACE CREW UPON MANY BOATS

Drastic Action to Start Ships Moving is Promised by The Managing Agent.

Four Hundred Vessels Now In Tie Up Due to Big Mariner's Strike.

(By Associated Press)
New York, July 15.—Drastic action will be taken by the United States Shipping Board within a few hours to settle the marine strike, Captain Frank Ferris, managing agent for the board here declared today.

While he did not intimate what this action would be, it is known that it is considered the possibility of manning ships with crews supplied by the navy department.

Captain Ferris estimated 186 steamships operated by the Board have been tied up by the strike. Union leaders claim that 400 ships including those privately owned and 15,000 men are involved.

PROMINENT MAN DIES MONDAY

Mr. A. B. Giddings, aged 45 prominent citizen and business man of Milledgeville, died at his home at that place Monday evening at 7:30 o'clock after a short illness caused by erysipelas.

Mr. Giddings was associated with his brother, H. W. Giddings, in the operation of the Giddings Brothers' elevators at Milledgeville and Ocala.

He leaves his wife and one son, Carey Giddings.

The shock to both Mr. Giddings' family and the entire community is overwhelming and involves a loss of which each hour brings added realization. Milledgeville had no citizen more active in civic work and in whatever pertained to the good of the community. In business "Ben" Giddings had achieved success because of those sterling qualities, which made him deserving of the high esteem and genuine affection in which he was held by the community and people of town and the adjoining country share in a common sorrow.

Mr. Giddings was only taken ill Saturday and on Sunday morning was able to visit his physician's office, so that there had been absolutely no preparation for the summons which came Monday evening.

For the past twelve years he had been engaged in the grain business, owning and operating, with his brother, H. W. Giddings, both the Milledgeville and Ocala elevators. Before that he had taught the schools of Milledgeville and vicinity.

Mr. Giddings, although a member of the Baptist church, was active in the work of the M. P. church of Milledgeville and especially prominent in the I. O. O. F. lodge.

The funeral services will be held Wednesday at 2:00 p. m., at the M. P. Church of Milledgeville. Burial will be made in the Plymouth-Milledgeville cemetery.

AGED RESIDENT DIES MONDAY EVE.

Mrs. Apalonia Saunders, one of the oldest residents of the city and county, passed away Monday evening at a quarter past eight at her home on Rawlings street, at the advanced age of eighty-eight years.

She leaves four children to mourn her loss—Lucy, Steven and Jacob of this city, and Mrs. Martha Gibson of Springfield.

Funeral services will be held Wednesday afternoon at two o'clock. Rev. J. L. McWilliams will officiate, and burial will be made in the Washington cemetery.

VERY STARTLING

A young couple recently became the proud parents of a little girl. They wanted to weigh the young lady as soon as she was dressed, but had no scales. About this time the ice man came along and they borrowed his scales. The little one weighed 41 pounds.—Exchange.

Refreshing flavor and fragrance and unusual mellow-mildness make Camel Cigarettes instantly and permanently likable!

CAMELS are a cigarette revelation! They are a smoke delight! They answer the cigarette question as it has never before been answered. Your taste will prove that!

Camels are an expert blend of choice Turkish and choice Domestic tobaccos which you will greatly prefer to either kind of tobacco smoked straight. Your test proves that!

This expert blend brings out Camels' wonderful cigarette qualities. It eliminates any unpleasant cigarette aftertaste or any unpleasant cigarette odor! It also makes possible Camels' enticing mildness while retaining the full "body" of the tobaccos.

No matter how much you like Camels and how liberally you smoke them, they will not tire your taste!

For your own satisfaction compare Camels with any cigarette in the world at any price!

IMPATIENTLY AWAIT GREAT NEW CIRCUS

Ringling Bros. and Barnum & Bailey Combined Shows Arouse Keen Interest Here.

"Circus Day," the big holiday for which young and old impatiently wait at this particular season promises to eclipse all other events of the calendar year at Chillicothe, Wednesday, July 23.

I would seem as though everybody in this locality were planning to attend. The very name of the great new circus—Ringling Brothers and Barnum & Bailey Combined — has been sufficient to arouse far more interest than has ever before been shown in the coming of any amusement enterprise. And word from the Ringling Brothers, who are the directors of this gigantic super-circus, is to the effect that those who attend the performances will witness the greatest program ever presented in America. This is likewise true of the mammoth street parade, which will positively take place showday morning, mammoth managerie and all else connected with this highest of all amusement institutions. The famous showmen have made a complete survey of both the great circuses and merged the finest and best of each into one. Hundreds upon hundreds of performers will appear in the gigantic main tent. There will be scores upon scores of cleverest dumb actors. A gorgeously costumed pageant, of stupendous size, will open the program. Great companies of characters, representing the best-loved stories of fable and nursery lore, will appear. There will be splendid and many groups of beautiful horses in jeweled trappings. The army of clowns exceed all past records for fun and numbers. All contribute to the biggest circus in history.

The circus will be in Columbus, Thursday, July 24.

BROKEN LEG RESULTS FROM AUTO SMASHUP

W. B. McCarley, 524 Jenkins Avenue, is in Grant Hospital, suffering with a broken leg, and W. C. Miller, Newark, was arrested on charges of reckless driving and speeding as a result of a collision yesterday at Parkview Avenue and Broad street.

McCarley was driving east on Broad street and turned in Parkview just in time to be struck broadside by the speeding machine of Miller.

Officer Uhrig took McCarley to Grant Hospital and filed the affidavit against Miller.

You don't know when nor where accidents will happen, through no fault of yours, resulting in injury to others. Be prepared with a policy insuring against Liability.

HENRY W. JONES,
165t1 Auto Fire and Theft Insurance.

WORK NOW LAUNCHED BY W. S. S. COMMITTEE

The Women workers for the Fayette county War Savings Committee, Woman's Division, begin their work in earnest this week. It is expected Fayette county people will respond liberally to the call of the patriotic women, and, that a large number of big sales may be made of the War Savings Stamps. The wheat now harvested, a fine showing for corn, and other crops—the big prices, the government has guaranteed for the wheat, should surely bring liberal responses to the government's call for help.

Can you stand back and refuse to divide your profits with the government? Today we have peace and prosperity; show your thankfulness for these blessings and buy largely of the War Savings Stamps. Buy the \$1,000 certificates for \$836 now and collect \$1,000 in 1924, or buy \$100 now for \$83.60 and collect \$100 in 1924. Don't buy small amounts, when you can afford to loan large amounts, with the best security in the world, to the best government the sun shines upon.

Be thankful we are still a free people, and not paying tribute to Germany. Buy largely of War Savings Stamps. Give us a lot of \$1,000 sales. Let us win the Victory Shaft for Fayette county. This is to be given to the women of the winning county on

ly. So buy of the women. Buy big amounts.

COMMITTEE.

LOCAL MERCHANTS PLAN IMMENSE BARGAIN DAY

Tuesday, July 29, is Set Aside as Dollar Day Which will be Observed by Stores All Over Town.

BAND CONCERT

Plans Made to Attract and Entertain Shoppers from All Points Within Wide Radius

Merchants of Washington C. H. are planning to hold in concert all day Tuesday, July 29, a Dollar Day, and are co-operating with a view to making this day one of the biggest bargain occasions in the history of the city, it is announced.

Stocks are being gone over carefully in all lines of business and special inducements of every kind are being contemplated and selected for this one big day.

It will be a day for everybody—a day for men as well as for women—and the special price merchandise offerings will cover a thorough range to meet practically every buying requirement.

Special arrangements will be made to meet the great demand that the sale offerings are expected to bring forth, and sales forces will be increased where necessary in order that all shoppers receive attention.

Tuesday, July 29, is also band concert night, and local restaurants are preparing to offer special menus for

out of town shoppers who may desire to remain for the concert.

In addition to the concert, the band has under consideration the holding of another street dance on this night, a definite announcement concerning which will be made later.

The Dollar Day Idea.

Just before the war, a Dollar Day was held in Washington C. H. just as a matter of experiment. The result was more than gratifying. Merchants and shoppers alike were surprised and pleased with the event. There was a continual stream of business all over town throughout the day. Shoppers received more for their dollars on that day than they ever had hitherto, and by reason of the wide range of bargains were able to get just what they wanted.

Merchants were equally delighted with having made many new friends and customers and with having had an opportunity to show their merchandise and extend courtesies to buyers unacquainted with their stores and wares.

The Dollar Day was an immense success, and repetitions were looked forward to. Then came the war, with a general unsettling of markets and stringent demands on business, and Dollar Day was out of the question for the time. Now comes peace, and with markets attaining to a more normal condition and business settling back into its natural courses, it is possible to return to the deferred Dollar Day.

What a Dollar Will Buy.

The stocks to be offered for special sale on Dollar Day will not be an accumulation of odd and ends of unsalable merchandise. On the contrary, in some cases merchants are ordering brand new merchandise from their manufacturers to be offered for this day only.

In all cases, goods will be seasonable, and when sold as a dollar special will be a genuine discount from an advanced price.

Different forms of inducement will be made by the different stores. Most of the stores that can will offer articles at a dollar that ordinarily sell for more. Others will make dollar discounts on sales reaching a certain figure, while others will make fixed percentage reductions on all goods sold on this day.

It will be no cheap affair. The reductions advertised will be genuine. The merchants expect to make their profit in advertising their goods, making new friends, in widening trade circles and in general stimulus to business the sale will engender.

Advertisements of the dollar day specials will appear in the Herald from now until the date of the sale and shoppers may save time by drawing up buying lists from them as they appear.

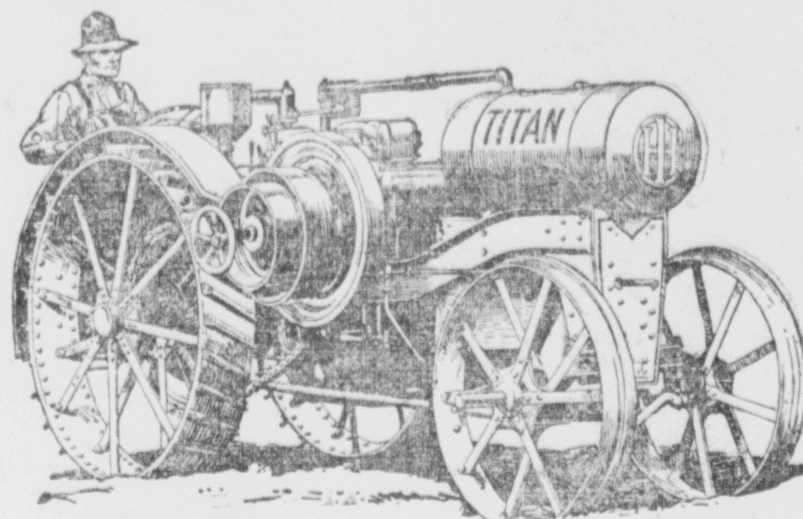

FIRE IN OFFICE NEAR MIDNIGHT

At 11:30 Monday night the fire department was called out to extinguish a blaze in Dr. C. V. Lannum's dental offices over the Midland bank on Court street.

It is not known exactly how the blaze started but it is believed that it was due to a gas jet left burning.

The damage caused by the blaze was very light.

\$225 Cut in Price of Titan 10-20

BEGINNING
 July 1st, 1919,
 the 1920 price
 of the Titan 10-20
 kerosene tractor is

\$1,000

CASH F. O. B. Factory

\$1050 when time is given

Reasonable terms will be given to any man who needs the Titan now and cannot pay cash in full. These terms are new.

WE have reduced the price of the Titan 10-20 from \$1,225 to \$1,000. This big cut is not justified by present prices of materials and labor, but is made in anticipation that the largely increased volume of business developed will offset the reduction. The Titan now becomes the world's most popular priced 3-plow tractor.

If you have been holding off buying a tractor because \$1,000 was your limit for a good 3-plow machine, your price will now buy the best one.

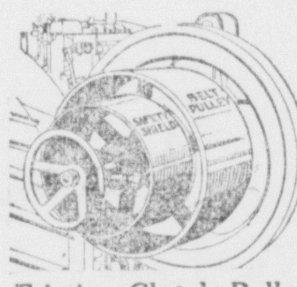

To sell the Titan 10-20 at this low price, not a single necessary feature has been taken off to be bought at extra cost. The Titan comes to you complete. The Harvester Company is too old at the business to offer you a tractor which is not 100% efficient at the drawbar and 100% efficient on the belt.

Remember, the Titan is a 3-plow tractor. Don't confuse it with low-powered 2-plow machines. For a fair comparison as to price, add one-half the cost of any 2-plow tractor to its advertised price, then add the cost of

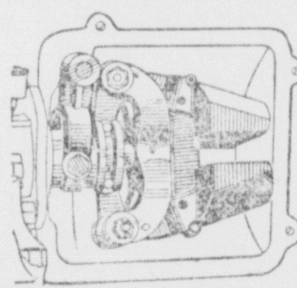

all the extras you must buy, and that will put it on a par with the Titan 3-plow tractor. Then compare values.

In addition, remember the Titan is a genuine kerosene tractor. Gasoline as tractor fuel is unwarranted extravagance. Don't forget that. We give you a written guarantee that the Titan operates efficiently on kerosene.

You can't make a mistake if you select a Titan 10-20 at its present low price. It will give you power satisfaction that will stand by you steadily season after season at drawbar and belt. You may rely on Harvester reputation for good service and fair dealing. Go to your dealer. Arrange for immediate shipment. This price reduction may make delivery difficult later. Place your order now.

These Features, Regular With Titan, Are Charged for Extra by Some Tractor Makers:

Friction Clutch Pulley

Governor

Friction Clutch Pulley With the Titan you get a large wide friction clutch pulley, put in the right place by a company that knows where it belongs. It is provided with a safety shield. The belt work season is on. No extra charge for Titan pulley.

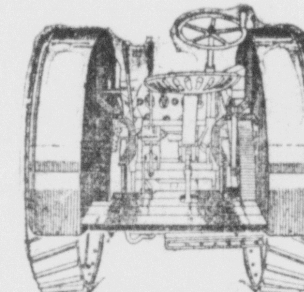

Throttle Governor With the Titan you get gives you steady speed for 1 week, saves fuel, prevents grain losses, works automatically and perfectly. No extra charge.

Starting and Service You get the Titan tractor without the compulsory "starting and service charge" made by some companies. Complete instruction in starting and operating is given free. No extra charge.

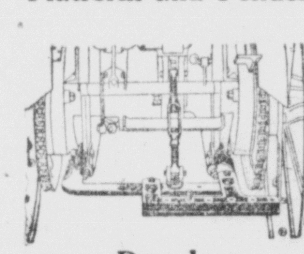

Drawbar With the Titan you get a convenient drawbar, adjustable side-ways and up-and-down. Fits every need. Compare it with others. No extra charge.

Fenders With the Titan you get drive-wheel fenders. They stand for safety. They also protect the engine and operator from mud and dust. No extra charge.

Platform With the Titan you get a rear platform. You can stand up and run the tractor, put in more hours with less fatigue. No extra charge.

Platform and Fenders
